*We have tried to give an adequate explanation of the different
Grades of Roses offered. The best story is a sample of the Plants.
Don't hesitate to ask for these Samples—we welcome the oppor-
tunity to acquaint you with our Grades.*

*All Roses are Tied: Number One Grade in Bundles of Ten,
Medium in Tens, Number Two Grade in Twenty-fives. It will be a
big help to us if you will bear this in mind when ordering.*

TENNESSEE, December 18th, 1930.—“This is the thirty-fifth year we have
been dealing with you and have never been disappointed.”

MARYLAND, November 19th, 1930.—“The stock came in and opened and
checked up fine—no mistakes, no undergrades, well packed, and order rushed.
My motto is when I want good stock promptly filled, try Chase.”

BROADLEAVED EVERGREENS

Where we consider it necessary to "ball and burlap", we have so specified and priced accordingly. If customers are willing to assume the risk of handling such varieties with roots carefully puddled, you may deduct from the price listed according to the schedule shown below. The items we have not listed as B. & B. will be so dug by ADDING the necessary amount as shown by this schedule.

When ordering please say if wanted "Puddled" or "B. & B."
